

Do you want to...

- Broaden your connections and build valuable networks
- Round out your resume
- Gain expertise on complex issues
- Make an impact in your community

Job Skills 'Volunteer Board of Directors' is looking for community-minded individuals, willing to share time, talents and expertise and be part of this dynamic organization.

We are currently seeking individuals with personal or professional experience in the Social Services, Mental Health, Accounting, Marketing and/or Education Sectors.

Every year, we help more than 20,000 unemployed/under-employed individuals as they seek employment or start their own business. With strong leadership that brings diverse strengths, Job Skills strives to continue to grow.
